

WIN A LAPTOP!

Present your research at the NZACRes 2023 Post-grad Student Lightning Round!

Lightning presentations are short talks that challenge researchers to distil the highlights of their work and explain its importance in a very brief span of time. NZACRes would like to showcase the incredible work of emerging clinical researchers that is occurring in Aotearoa New Zealand. We will invite five post-graduate students to give lightning round presentations at the NZACRes 2023 conference.

Friday 25th August 2023:

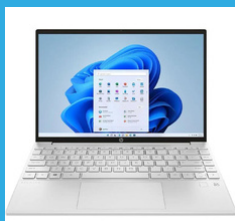

Post-graduate Students Lightning Round: 3:15pm – 4:05pm; 5 x 5-minute presentations + 2 mins Q&A from NZ-Based post-graduate university students.

Lightning round speakers will receive free registration for both days of the NZACRes conference.

Please see the rules and guidelines - www.nzacres2023.nz/call-for-presentations.html

Abstracts must be submitted by midnight Monday 03-Jul-2023

THE PRIZE

We are delighted to announce that Code Blue have offered a prize for the Post-grad Student Lightning Round winner. Presentations will be judged and the winner awarded a HP Aero G8 Laptop – I7, 16Gb, 14" screen.

Please note: the terms of receiving the prize include:

- only post-grad students are eligible for the laptop prize; medical doctors competing in the Clinician-Investigator Lightning Round are not eligible for this prize.
- the winner agrees to a photograph taken receiving the award
- the winner agrees to allow NZACRes and Code Blue to share their name on social media, our conference website and mobile app.
