

Are you interested in working with some of the brightest minds in New Zealand?

NZCR is the largest Phase 1 Clinical Research company in NZ, with over 23 years history of running world-class clinical trials.

Are you interested in working with some of the brightest minds in NZ? With industry-leading Professors and Principal Investigators on our team, you'd be working alongside the very best, with the largest in-house lab, pharmacy and diagnostic capabilities of any private research facility in NZ.

We are currently recruiting for **Research Assistants, Clinical Data Coordinators, Clinical Trial Assistants, Nurses** – and we're always on the lookout for new talent with health and sciences experience.

Staff Benefits include:

- Onsite free espresso coffee
- Parking
- Education support
- Flexible working arrangements
- Dedicated benefits programme with many big brands
- Active social committee

Send your CV to hr@nzcr.co.nz to join our talent pool today.
