# THE NZACRES 2023 EXECUTIVE COMMITTEE INVITES YOU TO CONSIDER SPONSORSHIP FOR OUR 2023 CONFERENCE.

I invite you to become a sponsor of the 2023 NZACRes Conference to be held at the Pullman Hotel in Auckland on 24 - 25 August 2023.

The New Zealand Association for Clinical Research is a very important organisation supporting and promoting clinical trials and research in NZ. We all know that NZ provides high quality clinical research in both Industry-sponsored and Investigator-led trials. Support for our 2023 conference by representatives of all players in the industry, from sponsors, CROs and Sites is critical, and an endorsement of this fact. With the combined support of Pharma, Biotech, CROs and Sites, we can grow this industry and its place on the international stage, and build on the performance and reputation that has been established over many years. The Conference is a focal point for networking and enthusing those in our industry and for show-casing our presence and excellence.

Many of you have supported us in the past, and I encourage you to do so again and in the future. Our conferences have always been enjoyed and valued by those who have attended, and we, the Organising Committee are committed to, once again, bringing value to all those who support us and attend – and to none more than to you, our potential sponsors.

Help us grow and support you to grow! Join us at the 2023 Conference. This prospectus shows you how you might do this. Please feel able to make contact with me to discuss this opportunity further.

Yours sincerely

***Meghan McIlwain***
